Learning to Sing

**

By CuteMew

The silent one

Who could not sing

Was always sad

It tried and tried

But it could not sing

It practiced and practiced

Yet it could not carry a tune

It would try and try

Yet nothing would happen

And tears dropped from its eyes

One day it tried to soothe its tired throat

It swallowed a piece of fruit

Cool, sweet juice trickled down its throat

And softened its voice

It could finally sing, and was happy for the first time

It sang, true and clear

A lovely tune

Carried above all

A soothing melody

A soft, sweet lullaby

Jig-guh-ly puff, jig-guh-lee puffâ€

End
file.
